

OPTITECH™

Phoenix LED

PHOENIX EMERGENCY LED SERIES

Emergency Compliant

& energy efficient

OptiTech LED Phoenix Lights are a dimmable, energy efficient alternative for traditional fluorescent emergency lights.

FEATURES

5 Years Warranty

Accepted for use in energy savings projects under ESS & VEET programs

Up to 80% more efficient than equivalent halogen or metal halide luminaires

Australian & New Zealand Standards certification & approval

Three colour temperature options available: 4000°K & 5500°K

BENEFITS

Longer operating life and significantly reduced maintenance costs

Eligible for energy savings scheme certificates in NSW and VIC.

Reduced energy and maintenance costs

Reliable state-of-the-art technology

Safe and compliant for use in Australia & New Zealand

Easy to install and no need for rewiring

A suitable colour temperature for most lighting applications

* When compared with equivalent halogen or metal halide luminaires.

Lighting solutions that don't cost the earth
